- ◇ The following ballot proposal:

**LOCAL SCHOOL DISTRICT -
PLYMOUTH-CANTON COMMUNITY SCHOOLS
COUNTIES OF WAYNE AND WASHTENAW
OPERATING MILLAGE RENEWAL PROPOSAL**

This renewal proposal will allow the School District to continue charging up to 18 mills of operating tax on most non-homestead properties including commercial properties, just like it was approved in 2014, and will expire in 2024. This tax levy does not apply to principal residences (homesteads) or other exempt properties. If there are future Headlee reductions of up to 4 mills, the School District can still charge up to 18 mills, ensuring that the School District will continue to receive the full money amount for each student allowed by the State.

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the Plymouth-Canton Community Schools, Counties of Wayne and Washtenaw, State of Michigan, be increased, in the amount of 22 mills with 18 mills being the maximum allowable levy (\$18.00 on each \$1,000 of taxable valuation), for a period of twenty (20) years, 2025 to 2044, inclusive with 19.0541 mills of the above 22 mills being a renewal of authorized millage which will otherwise expire with the 2024 levy and 0.9459 mills being a restoration of previously authorized millage lost as a result of the reduction required by the Michigan Constitution? This operating millage if approved and levied, would provide estimated revenues to the School District of \$33.5 million during the 2025 calendar year, to be used for general operating purposes.
