

Plymouth PULSE

City of Plymouth 201 S. Main St. Plymouth, MI 48170 734-453-1234 <http://plymouthmi.gov>

November 2023

Please Vote on November 7

In addition to selecting four City Commissioners from a pool of seven, City of Plymouth residents are being asked to decide on a 1.75 mill tax for parks and recreation. This millage would provide funds to make improvements at all neighborhood parks, completely renovate Point Park in Old Village, and potentially purchase the old Lumber Mart site for recreation. In addition, City of Plymouth residents would see a steep decrease in program fees.

A recent EPIC/MRA survey of residents indicated nearly unanimous belief that recreational activities, special events, and parks enhance home values and provide an economic benefit to the community. The City Commission set a goal of improving existing and pursuing additional recreational and public green space opportunities and facilities for all ages at its annual strategic planning session.

If the millage doesn't pass, the focus of the department will be on maintaining existing facilities, limiting new programming, and scaling back the soccer program due to lack of playing fields.

If you have any questions about the recreation millage, please email Recreation Director Steve Anderson at sanderson@plymouthmi.gov.

Voters are also being asked to select four City Commissioners from seven candidates: Incumbents Suzi Deal, Linda Filipczak, and Kelly O'Donnell and newcomers Catherine Coburn, Brock Minton, Ron Picard, and Josh Rimatzki.

Ballot Language

Shall Section 8.5 of the Charter of the City of Plymouth, Wayne County, Michigan, be amended to permit the levy by the City of a new additional ad valorem property tax in an amount not to exceed one and three-quarters (1.75) mills, for 12 years, from 2024 through 2035, to provide funds to the City to acquire, construct, improve, furnish, operate and maintain parks and recreation facilities? It is estimated that 1.75 mills would raise approximately \$1,275,955 when first levied in 2024.

Plymouth residents are good neighbors!

Here are five simple ways to be a great neighbor and steer clear of common ordinance violations:

1. Keep temporary yard signs out of the strip between the sidewalk and the street. Visit plymouthmi.gov/codes for details on the sign ordinance.
2. Don't park on public streets between the hours of 3-6 a.m. without a permit. Visit plymouthmi.gov/overnight_parking for instructions on how to get a permit.
3. Secure a removal permit for trees larger than 6" in diameter. Information about the tree ordinance is available at plymouthmi.gov/trees.
4. Keep your grass mowed and snow removed in a timely manner. Snow is to be removed from sidewalks within 24 hours of a snowfall. Ordinance information is available at plymouthmi.gov/codes.
5. Email dms@plymouthmi.gov for garbage pick-up of oversized items.

Drive Safely this Winter

WINTER DRIVING SAFETY TIPS

DON'T BLAME THE WEATHER! DRIVE SLOW ON ICE & SNOW

Most winter driving crashes are not caused by the weather, but by drivers' failure to adjust to road conditions. "Drive slow on ice & snow" is the theme for our winter driving safety program, and our #1 tip for staying safe on wintry roads. Here's why:

- ❖ Most winter driving crashes can be attributed to drivers going too fast for the roadway conditions. When this happens, drivers can lose control, leave their lane, or even leave the roadway.
- ❖ On snowy and/or icy roads, it can take up to **ten times longer** to stop your vehicle. Slowing down and allowing more room between your vehicle and the one ahead of you gives you more time to react and brake, thus reducing your crash risk.
- ❖ Michigan speed limit laws require drivers to move at a speed that is "reasonable and proper" for the road conditions. This means that even if you are driving at or under the posted speed limit, you could still get a speeding ticket if the road conditions make that speed unreasonable for safe driving.
- ❖ By making adjustments in speed and handling when road conditions are bad, you can take charge of your winter driving safety.
- ❖ Don't use cruise control on ice and snow. If your car skids, the cruise control will accelerate to maintain a constant speed — spinning your wheels even faster and increasing the chance you will lose control of your vehicle.

Holiday Safety

The National Fire Protection Association offers these holiday safety tips:

- Choose decorations that are flame resistant or flame retardant
- Replace any string of lights with loose or broken cords or connections
- Some lights are only for indoor or outdoor use, but not both
- Use clips, not nails, to hang lights so cords don't get damaged
- Turn off all light strings and decorations before going to bed
- Keep decorations away from windows and doors
- Test your smoke alarms and review your home fire escape plan
- Stay in the kitchen when cooking on the stovetop
- Keep children and pets away from lit candles
- Blow out lit candles when you leave the room or go to bed
