Statement on explanation of the reason why the public body is meeting electronically:

On March 10, 2020 the Governor of the State of Michigan declared a State of emergency across the State of Michigan under section 1 of Article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 – 421, and the Emergency Powers of the Governor Act of 1945, 1945 PA302, as amended, MCL 10.31 – 33. These sections provide the Governor with broad powers and duties to cope with dangers to this state or to the people of the state.

As a part of the response to the emergency, the Governor has deemed it reasonable and necessary to temporarily suspend rules and procedures relating to physical presence at meetings and hearings of public bodies and other governmental entities in Michigan. These public bodies and entities must continue to conduct public business during this emergency. Due to the emergency situation and the request of the Governor to not gather in groups of 10 or more it is necessary for some public boards to meet electronically.

Plymouth PULSE

City of Plymouth 201 S. Main St. Plymouth, MI 48170 734-453-1234 <http://plymouthmi.gov>

Welcome Fire Chief Matt Samhat!

When Matt Samhat became a NCFD firefighter in 2012, he couldn't have predicted where it would lead in 2021.

The City of Plymouth is served by a unique joint fire department through an agreement with the City of Northville. Plymouth is home to two stations, one at City Hall and one in Old Village. A few months ago, Northville City Fire Department Chief Steve Ott announced he would be retiring on July 2, prompting a search to find someone who would continue to move the department forward.

Samhat quickly rose to the top of the applicant pool. He's a certified firefighter, EMT-B and fire inspector, and has completed training for incident command, safety officer, leadership, company officer, fire officer and rapid intervention. He's also a technician in rope rescue, confined space, trench rescue, building collapse and car seats.

"Ten years ago, I never would have thought I'd be chief, but as soon as I started in the fire service, I learned it was my passion," he said. "It became natural to continue to learn and move through the ranks." Samhat earned Lieutenant, Captain and Fire Marshal ranks before being named Chief.

"I'm excited to assume the role of chief and to continue the partnership between Northville and Plymouth," said Samhat.

New fire chief at helm of NCFD

Matt Samhat has risen through the ranks of the Northville City Fire Department (NCFD) to become fire chief after first joining the department in 2012 as a firefighter and later becoming an emergency medical technician (EMT), then advancing to serve sequentially as lieutenant, captain, and fire marshal in 2020. He fills the post that opened with the retirement of Steven Ott.

NCFD provides fire suppression, basic life support (BLS) EMS, fire prevention and inspection services and public education for the cities of Northville and Plymouth. The combined department operates out of three stations. The department has a full-time fire chief and 55 part-time and paid on call firefighters and EMS responders. Between the two cities, the department serves an area of 4.5 square miles and a residential population of 15,000. The department responds to approximately 1,600 calls for service each year.

Samhat's goal as chief is to continue to advance the department by integrating technology into systems and bolstering the recruitment and retention program to combat the shortage of individuals entering the fields of fire and EMS.

What he likes most about firefighting and EMS work is "Having greater involvement in the community and being able to help those in need."

He earned a B.A. in Criminal Justice from Michigan State University, and attended the Fire Academy at NCFD. When he learned that most runs involve a medical component, he earned an EMT license. In addition to his firefighting and fire officer certifications, Samhat is a certified State of Michigan Fire Inspector, and a member of the Western Wayne County Urban Search and Rescue Team. He was named Firefighter of the Year for NCFD in 2019 and received commendations from the Novi Department of Public Safety for assisting that agency.

While an on-call firefighter, he worked in construction as his main occupation. He owns a property investment and management company, Samhat Investments, that he will continue to operate outside of his fire chief role. His construction company will be put on hold.

In his spare time, he plays baseball and volleyball with his kids, Max and Lila, and enjoys hiking and camping with his wife, Annie, and their children.

City Council recap of July 6 meeting

Construction Site Operations Standards – Council voted to table the first reading of the proposed amendments to the Code of Ordinances, Chapters 14, 34, and 90, pertaining to construction site operations until the July 19 City Council meeting.

Discussion about this topic brought forth public comments from three local residents and the city's arborist consultant, of Northville Township. A common refrain was to protect the drip line of
